

# ***HAZE* Snowball Survey**

## **for General Discussion**

1. In one or two words, what is your reaction to the film?
2. Which people in the film stood out for you/did you feel a connection with, and why?
3. How did the issues raised in the film relate to student culture at your school?
4. What could you do if you are concerned about the negative impact of practices in your group?
